Better Tomorrow*

ABOUT ME

Motivated and detail-oriented Full Stack Developer with a passion for building clean, responsive and user-friendly web applications. Skilled in Python, Django, and modern web technologies, with a strong foundation in problem solving and a commitment to continuous learning. I am eager to contribute to innovative projects and grow as a professional in the tech industry.

EDUCATION

B.A. English

2021 – 2024

P.G. College, Rajasthan University
Bachelor of Arts (English)

WORK EXPERIENCE

Online Shopping Store (E-Commerce Website)

2024 – Present

Full Stack Developer (Project)

- Developed a complete online shopping platform with user registration, login, product listing, cart and checkout features.
- Implemented responsive UI using HTML, CSS and Bootstrap.
- Integrated Django backend for product management and order handling.

PROJECTS

Online Shopping Store (E-Commerce Website)

2026 – Present

- Built a fully functional e-commerce website using Django.
- Features: user authentication, product listing, cart, checkout, order tracking and admin panel.
- Used HTML, CSS, Bootstrap for frontend and Django for backend.

Student Registration System

2026 – 2027

- Developed a student registration portal with add, update, delete and view functionality.
- Used Django for backend and HTML, CSS, Bootstrap for frontend.

*Turning ideas into functional web applications
is what I love to do.*
